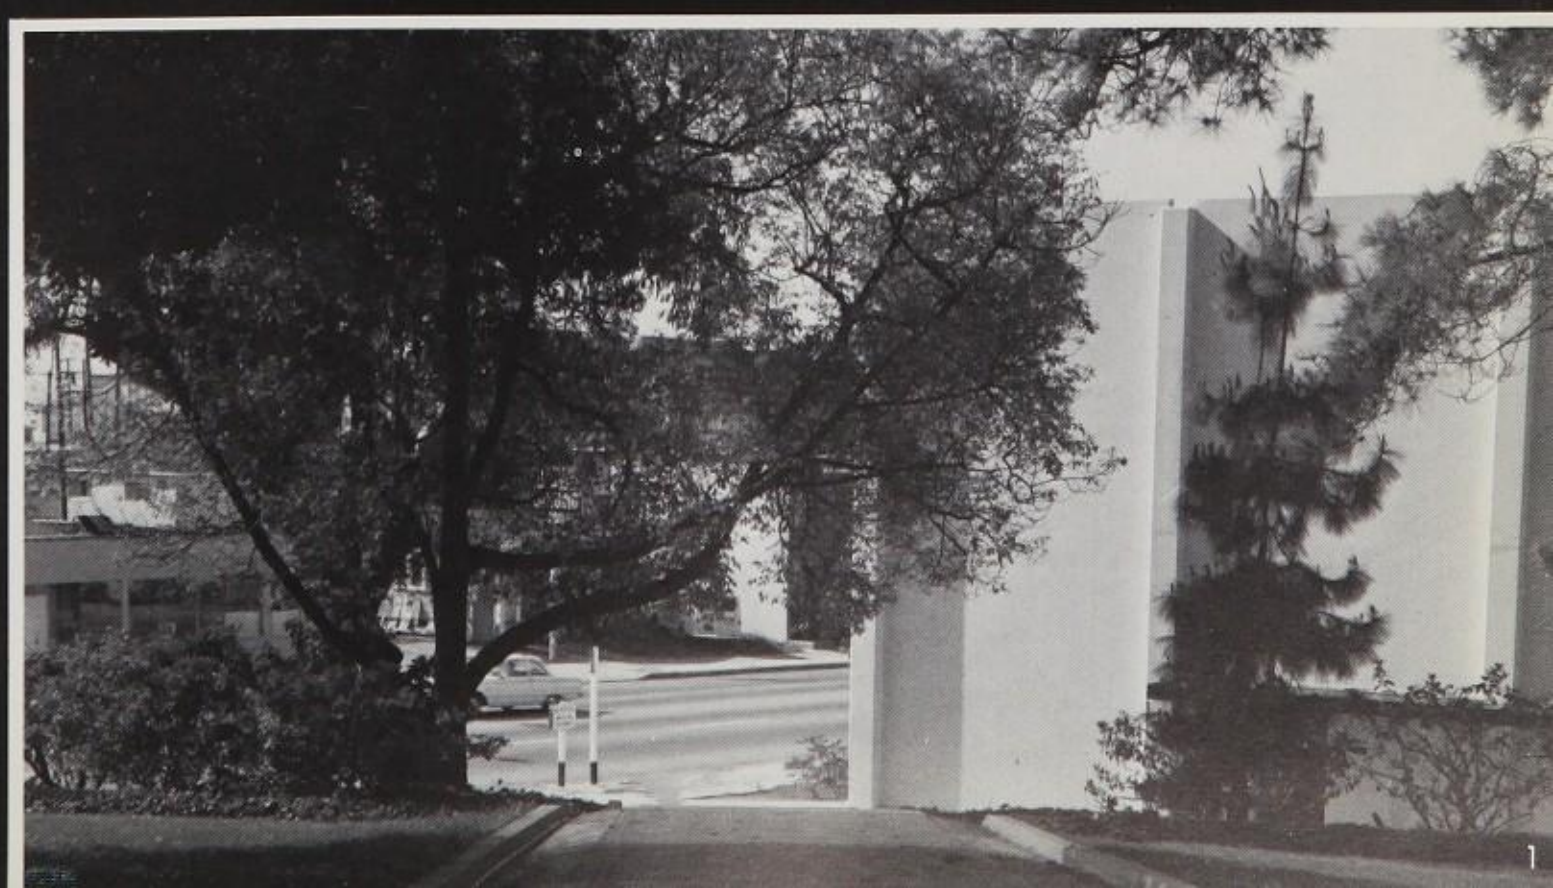
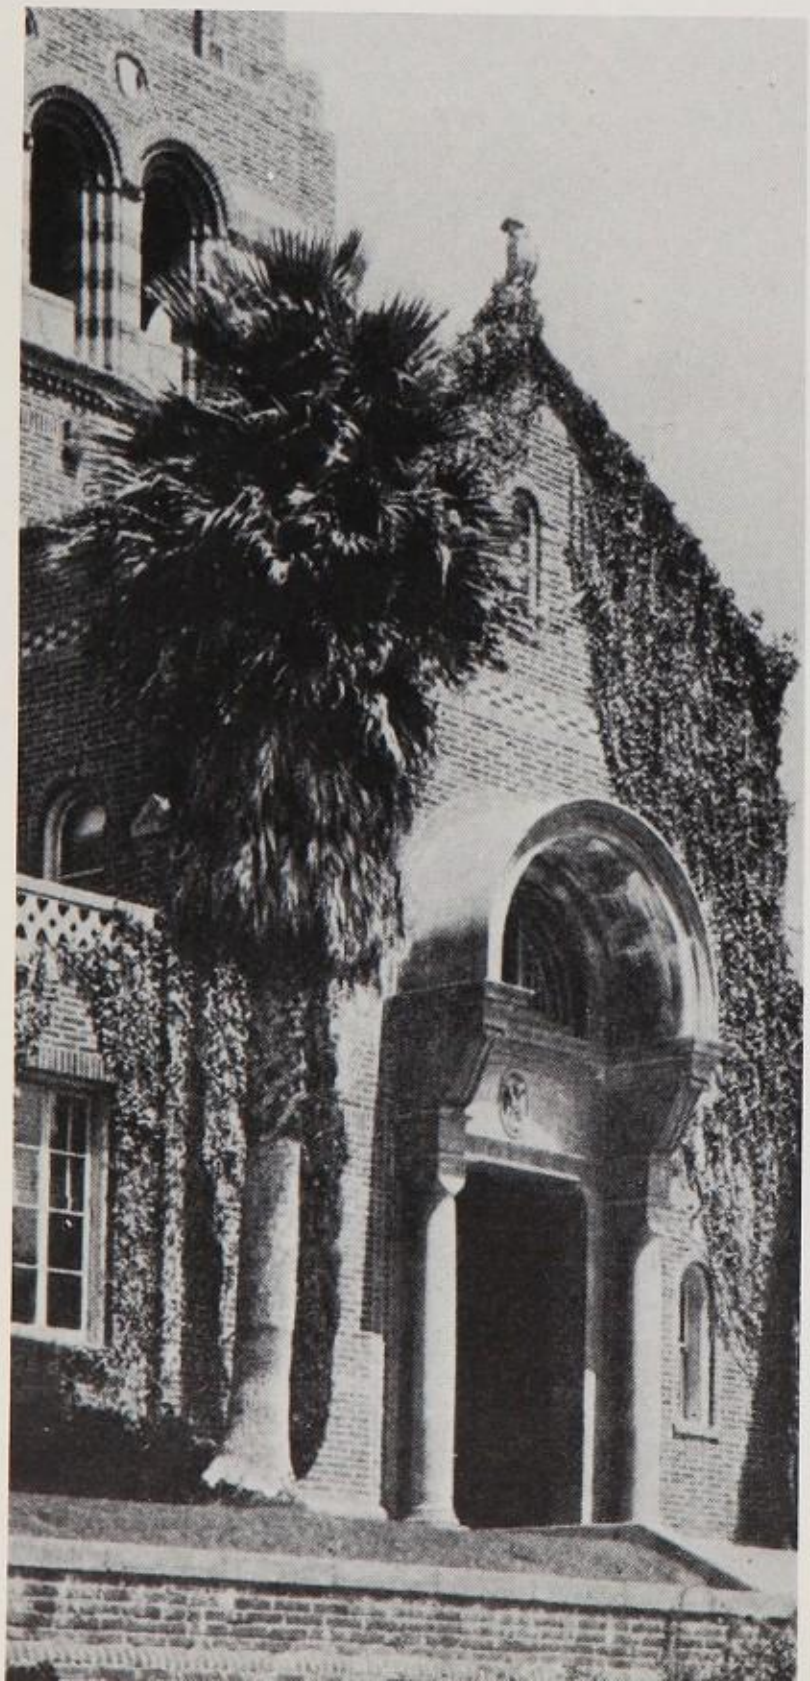
Santa Monica, California





Seventy-five years . . .

A spade of ground was overturned in 1891, signalling the beginning of Santa Monica High School. Since that day, Samohi's fame has spread throughout the state and across the country. In 1894, Samohi saw five students graduate from a very small campus.

Today, after 75 years of progress, Samohi has over 3,000 students enrolled in an institution based upon progress. The progress of this school for the past 75 years has been a result of its students, teachers, administration, athletic accomplishments, student government, club activities, publications, such as the NAUTILUS and SAMOHI, and each graduating class.

This year's graduating class is the combined result of 75 years of progress. It holds a key to education, that time and hard work have accomplished. And now we look to the future . . . to the progress of Santa Monica High School.

Principal George K. Drake

To The Class of 1967:

Samohi has attempted during the past three years to ignite in each of you a living flame which would provide the light to guide this great class of 1967 in its journey into adulthood.

Upon your arrival on this campus as sophomores, you brought with you the desire to learn, the wish to become a part of the spirit, and the willingness to assume responsibilities—the spark was there, but it smouldered and and smoked and did not burn. As this great faculty gently generated this spark into a glow, and then a flame, the class spirit grew, and our rich traditions became meaningful and lasting. Your leaders filled Samohi's positions of government and responsibility. Your scholars and athletes strengthened and carried forward the reputation of our school. And now at the completion of your high school career, you prepare to let the light you have created shine far out into your future to lead you on to new and finer accomplishments.

We, your teachers and administrators, are proud of the part we have played in helping you to discover the fuel within yourselves which makes your lights burn steadily and brightly. It is our hope that the impact of our association with you will inspire you to help ignite in others the love and desire to serve this school, which your class may now proudly call your alma mater.

Best wishes for your continuing success!

Your Principal,
George K. Drake

Dr. Drake confers with Mrs. Mary Martinez, his secretary

Vice-Principal Porter I. Leach

Mr. Porter Leach and his secretary, Mrs. Betty Gruber

In this year of celebration of our diamond anniversary, we look back on our first 75 years and recall many of the fine traditions that have grown with the passing generations of students who have walked Indian Hill. It was a small group of worried student leaders who printed our first Nautilus yearbook in 1907 and our Samohi newspaper in 1913. These were followed later by the Boys' League of 1927 who furthered the tradition of our school.

Our athletes have been noted throughout Southern California for their outstanding teams and the type of sportsmanship that is the outgrowth of a loyal student body and a dedicated coaching staff. In recent years, our sports program has been expanded to include many new sports and divisions within these sports.

The physical plant has grown from a small single building with a few students to our present multi-building campus that houses our present student body.

Even as we look to the past for our heritage, we must also look to the future for growth. No one can predict what the next 75 years will bring, but it is indeed the hope of the present that Samohi will continue to be the "best and most outstanding" to the thousands of students who will travel the halls, who will be in the stands for our games, and who will march across our Greek Theater in graduation.

To Samohi we say "All Hail."

Porter I. Leach

Vice-Principal Beverly Waters

To the Class of 1967:

Past is Prologue. You, the Class of 1967, are being graduated from a high school steeped in tradition, committed to academic excellence, distinguished by its instructional staff, and recognized for its high standard of education. Most of you are "a part of" this school, which is positive in its faith in young people, supportive of the aspirations and ideals of its students, and certain of its responsibility to foster true inquiry and intellectual curiosity. Some of you are "apart from" this school, and your very differences and dissensions have enabled it to avoid complacency and to question the retention of the **status quo.**

Samohi's greatness can be attributed to its ability to accommodate each of you—the builders, the dreamers, the dissenters. As you graduate, you are being asked to contribute to that greatness. Lead—but make it a worthy endeavor. Support—but make certain you understand the cause. Criticize—but offer a constructive suggestion to ameliorate the cause. Criticize—but offer a constructive suggestion to ameliorate the situation. Dissent—but offer a practical alternative.

The instructional staff has dedicated itself to fostering the emergence of the individual. Perpetuate that commitment, but let it be influenced by what you have learned here—the meaning of sincerity, the price of manliness, the satisfaction of honor, and the value of service. Prologue is Past.

A Successful Season . . .

This year's varsity football team, compiling a record of five wins and one loss, grabbed the Bay League title and gained a berth in the CIF play-offs.

A powerful backfield, led by halfback Gene Martin and fullback Dan Saenz, averaged 27 points per game, while Linemen Andy Mann, Doug Horton, and Eric Reinholm provided the necessary drive to punch holes in the oppositions' defense. In grabbing the Bay League title, many Vikes gained All-League recognition. Gene Martin was a unanimous choice at the halfback spot. Also making the offensive team were End Tony McNeal and Tackle Doug Horton. Chosen on the Defensive team were Tackle Steve Maloney, Linebacker Eric Reinholm, and Back Nick Larez. Honorable Mention was awarded to Quarterback Dan Morrison, Fullback Dan Saenz, Defensive End Bill Magruder and Offensive End Steve Ohland.

The 1966 Grid season started off on a sour note as the Viking team was crushed by massive Long Beach Wilson 58-26. Despite this loss, Gene Martin rushed 111 yards and earned the Bay Area "Back of the Week" award from the Evening Outlook. Quarterback Dan Morrison had a fine night as he completed 11 out of 26 passes for 141 yards and three touchdowns. End Tony McNeal caught two touchdown passes and gained over 100 yards.

In the second game, against Pacific, the Vikes started a winning trend by knocking off the Pirates, 18-7, in a hard-fought non-league battle. However, spirits were doused when Larry Thorne was sidelined for the season with a broken arm.

Highlighted by halfback Gene Martin's four touchdowns, the Vike team defeated South High, 34-13, in the Bay League debut. Adding another fine performance was halfback Nick Larez, who caught four passes for 97 yards. Quarterback Dan Morrison gave an outstanding performance as he completed 7 of 10 passes for 117 yards.

In the next game against Rolling Hills, the Norsemen dumped the Titans, 45-13. Once again Martin rushed for over 100 yards, this time going for 160 and scoring twice. Dan Saenz, who replaced Larry Thorne in the back spot, played an outstanding game, scoring three touchdowns, including a 45-yard sprint.

Viking hopes for a Bay League championship were severely dampened when they lost their next game to Redondo in a fluke, 19-18, game. The game started on a bright note as the Vike eleven rolled to an easy touchdown early in the first quarter. Dan Saenz then made a 49-yard romp, which increased the lead to 12-0 in the first half. During the second half, the Seahawks cashed in on two mistakes which proved extremely important in the outcome of the game. Larez, the third man in the powerful Viking backfield came through with a 40-yard touchdown run but even this proved ineffectual as the Vikes missed their third conversion and the Seahawks maneuvered another touchdown to squelch the Vikes' final attempt.

The Vikings proved their worth in the next game by rolling to a 21-19 victory over the Inglewood Sentinels. Dan Saenz once again proved his worth by getting two touchdowns and two conversions to lead the Viking offensive attack. Gene Martin, the leading Vike scrambler, scored one touchdown in the second quarter to keep his rushing records intact.

Samo blanked the North Torrance footballers in the fifth game of the season by an easy score of 27-0 to remain tied for first in the Bay League. Jack O'Brien scooped up a blocked kick in the first quarter and lumbered to the one-yard line before being brought down from behind. Gene Martin put one yard and six points to his name by dancing across the goal line to score the first Vike touchdown. Then the Saxons gave up the ball on their five-yard line to set up another touchdown by the fast-moving Martin.

Dan Morrison threw a touchdown pass to end Tony McNeal in the corner of the end zone for the third touchdown of the one-sided game. Dan Saenz plunged across the goal line from the one-yard line to score the final Vike touchdown in the second period.

In the last game of the season the Vikes poured over a helpless Hawthorne team to finish off the season with a 51-13 smear of the Cougars and a Bay League crown.

Vike hopes for more than one game in CIF were squelched when the powerful Centennial Apaches downed them in a 60-38 seesaw game of offensive play. Halfback Gene Martin broke a school rushing record by 115 yards, by compiling 1141 total yards gained for the year. Dan Saenz led the attack against the Apaches with four touchdowns.

JV Football

Coached by Irv Kasten, the JV team made a good showing against its competition. Although the Vike JV's don't have league standings, they ended their season with a 5-2 record and gained needed experience to make a good varsity team next year.

Kirk Wilson, quarterback, alternated the lead post with Bob Apple. Both did well, and Wilson will probably serve as next year's varsity signal caller. Also providing a powerful offense were Ron Braschi and Randy Ishihara. Chris McNeal was also one of the star players of the squad. Tom Corbridge was named captain of the JV team.

B Football

Compiling a remarkable 9-0 record, the Samohi B's proved worthy of holding the Bay League crown. Headed by quarterback Bruce Ungar, the B's trounced all their opponents, averaging 46 points per game while the defense held their opponents to less than seven points per game. Greg Papin, fullback, led the team in scoring with 134 points, averaging a little better than two touchdowns per game.

C Football

The Viking C's also remained unbeaten, but were tied once, while en route to the Bay League crown. Scoring 138 points for the entire season, they held their opponents to a 38-point total. This year's C stars were fullback Larry Naylor, halfback Pat Wilson, and halfback Dave Brodeur.

This year's varsity cross country team claimed a well-deserved second in the Bay League and produced many fine runners and a new record in the two-mile course.

Leading the varsity attack were Mike Pickett and Steve Rine. Pickett smashed the school record of 10:29.3 by running a fine 10:22, only to see his record broken one week later by senior Rine who ran a 10:21. Even with outstanding individual performances, team strength was still the big problem facing the Vike team.

The junior varsity was led by the outstanding running of senior Scott O'Neal and junior Dave Hernandez.

The sophomores produced two fine runners, Chris Clevering and Don Allison. Coach Hal Connolly stated, "The big problem facing the sophomores is inexperience, because Samohi is the only school in the Bay League without freshmen."

Water Polo

This year under the whip of new head coach Mr. Frank Brooks, the varsity team pulled a close second in Bay League competition. Starting on a happy note with a 26-9 stomping of Hawthorne, the Vikes compiled a 6-2 record with their only losses coming at the hands of powerful Mira Costa and Redondo. Later in the season, the Vikes retaliated, however, by beating Mira Costa with a last second goal by Jeff Long, and whipping Redondo by three points.

Viking varsity was led by senior Ben Gage who made the first string Bay League team, and by Kurt Mengel, Fred Black, and Larry Coleman who were placed on the second string teams. John Dorr, Curt Ando, and John Manning made honorable mention.

Also headed by Mr. Brooks, the B's gained second place in league play, losing only to Mira Costa. Finishing with a 6-2 record and a 15-0 slaughter of Redondo, the B's were led by Jeff Eorio, Denny Dorr, and Jim Makuta.

Mr. Robert Coulter's C team was a bright spot in this year's Bay League competition, gaining first place with an almost perfect record of 7-1. The powerful C attack was led by David McKee, Richard Minteer, and Dana Badley.

Highlighting the fall season, drama students presented Arthur Miller's **The Crucible,** a four-act play of emotionally-intense drama about the 17th century Salem witch trials. To make the audience feel as if it were part of the play, Mr. Gene Jellison, drama sponsor, utilized a "theatre-in-the-round" technique, allowing the audience to be seated around an arena stage.

In the spring, the ambitious drama students presented **Hamlet.** It was the largest and most extravagant Samohi production in recent years. Hours of rehearsal and backstage work were put into the play.

Several student actors stood out in the two plays. Armin Shimerman as John Proctor in **The Crucible** and King Claudius in **Hamlet,** and Tom Jenson as Reverend Hale in **The Crucible** and Hamlet in Shakespeare's masterpiece gave outstanding performances. Debra Larson and Steve Stanley played their roles convincingly in **The Crucible,** and Pam Hartmann and Kathy Eyerman captured the complete attention of the audience in **Hamlet.**

Spinsters' Skip

This year's Spinsters' Skip, sponsored by Girls' League, took place in the Girls' Gym, which was gaily decorated for the dance's theme —the fall season and love. Orange, brown, and gold flowers and leaves helped carry out the theme.

The dance featured The Loved Ones, a new and prominent band. Couples attending could have their pictures taken as a remembrance of the fall affair, and door prizes were awarded to the dancers who held lucky tickets. Since the dance was informal, couples attended the event dressed in comfortable attire suited for contemporary dances.

This year's varsity basketball team, coached by Mr. Dick Beede, tied for third in the Bay League, with a record of 6-6, and placed three players on the all-league team.

Leading the Bay League in scoring with an average of 20.2 points per game and 240 total points for the season was first string all-league forward David Wright. Center Tom Rooke and forward Tom Chamales gained third team berths.

Complementing Wright, Chamales, and Rooke to complete the first string team were guards Nick Larez and Mike Budzyn.

In an all-out effort to make CIF, the Vikes went right down to the wire in the last game of the season before they were edged out of the spot by Mira Costa in a tight 56-48 battle. Both Rooke and Larez fouled out in the early part of the fourth quarter, leaving the Mustangs a much easier route to victory.

At the finish of one of Samohi's most victorious seasons, Vike mentor Beede was named "Coach of the Year" in the Bay Area. Awards on the homefront were given to senior Nick Larez as the team's most valuable player; junior Tom Chamales, the most improved player; and Tom Rooke was elected captain for being the most inspirational player. Junior Wright also received an award as being the top scorer in the Bay League.

At the end of the season, Coach Beede commented on his team. "The success of the team was due to the kids. They wanted to win. I've never seen a team that improved so much."

The return of Wright, Chamales, and Budzyn next year should make next year's team a strong contender for the Bay League crown and start a winning tradition in Samohi's basketball teams for years to come.

Wrestling

Improvement was the theme of this year's wrestling season, under the direction of new head coach Don Wood, who inspired his men to win in one of Samohi's best seasons in seven years.

Varsity won its first Bay League match in several years and compiled a 4-6-1 season record and a 1-6 Bay League record.

Although this record was not a winning one, several individuals made outstanding showings. Seniors Phil Samuelson (8-4), Tom Moon (7-3-1), and Dennis Pierce (8-2-1) gained spots in the CIF matches. Also compiling a good record this season was Junior Gordon Sharp (8-2).

Both Moon and Pierce were eliminated from their first and second CIF matches, but Samuelson made it to the consolation bracket before bowing out at his third match.

Awards this year were given to Dennis Pierce who was elected team captain, Tom Moon who was named "Most Valuable Player," and John Sharp who was "Most Improved."

Coach Wood has high hopes for next year's wrestling squad, with returning lettermen such as Gordon Sharp, Jose Mendez, Scott Prior, and Tom Murray.

Sergeanettes Present Ball

On February 4, the Sergeanettes presented their annual Ball with "Wouldn't It Be Loverly?" as the theme. Samohi students were taken back to Central Park in the 1800's. Reigning Queen Pat Greb and King Larry Thorne were crowned by Dr. George Drake and Miss Eileen Schiller, guests of honor in appreciation of much work and many hours given to help the drill team.

Members of the royal court were princesses Barbara Dunning, Suzette McKinsey, Priscilla Pritchett, and Trudy Trivette, and princes Steve Conti, Steve Ohland, Dan Morrison, and Vern Shaffer.

Music by Moshay provided an instrumental background for the evening.

Roberts Art Gallery

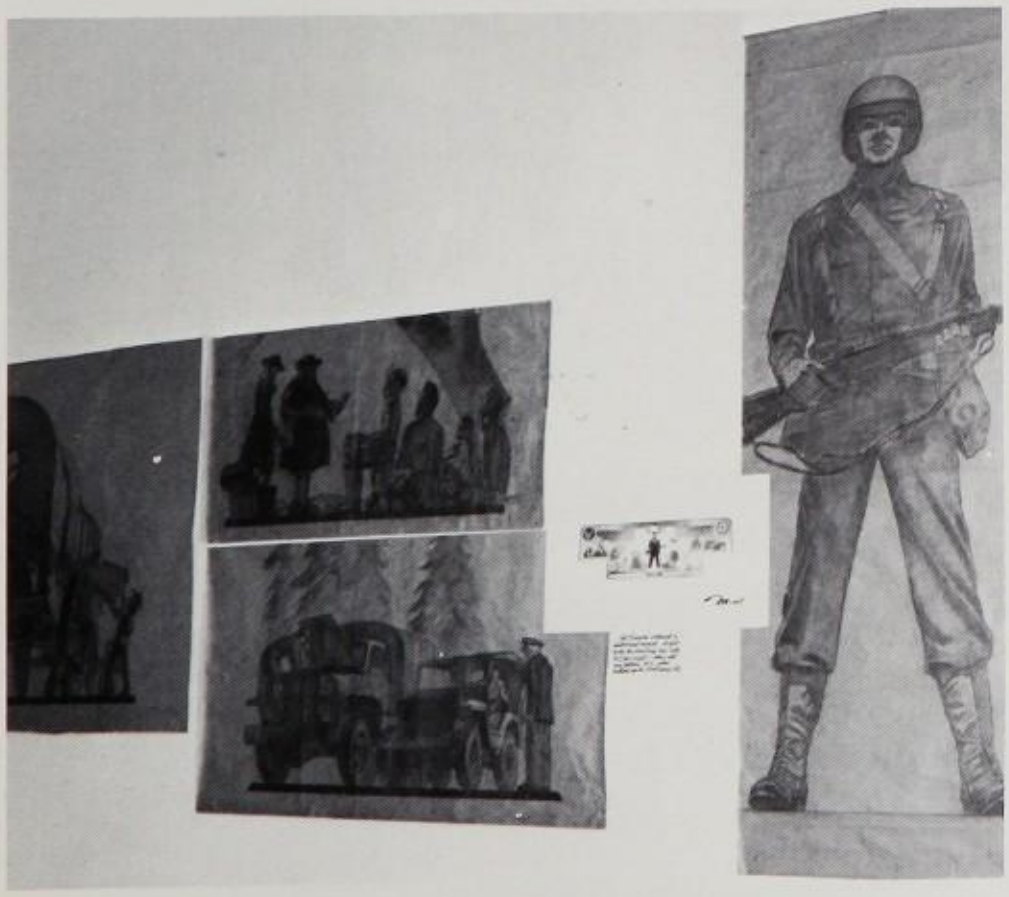
Roberts Art Gallery provides an opportunity for the Bay Area public, as well as for Samohi students and faculty, to see works of California's most prominent artists.

Samohi's Art Gallery was started in 1937, when Mrs. Josephine Seaman Roberts inaugurated the idea of having a cultural exhibition on the school campus.

In 1962, as the campus was being remodeled, a new art gallery was built and was dedicated to Mrs. Roberts, whose efforts made the Art Gallery an important contribution to school life.

The basic aim of the Gallery, which is under the direction of Mrs. Nanon Ohman, Art Department chairman, is to bring the best available expression of contemporary art to this community.

This year's exhibits included works of Milton Gershgoren, Joseph Young, Pat Berger, and Al Kaelin. There were also "Old Testament" prints, a photography exhibit, the Los Angeles Art Association Exhibit, and the student Fine Arts Festival. The student Festival, an annual exhibit, was the highlight of the season.



Spring

"The Tides"

I saw the long line of the vacant shore,
The seaweed and shells upon the sand,
And the brown rocks left bare on every hand,
As if the ebbing tide would flow no more.
Then heard I, more distinctly than before,
The ocean breathe and its great breast expand,
And hurrying came on the defenseless land
The insurgent waters with tumultuous roar
All thought and feeling and desire, I said,
Love, laughter, and the exultant joy of song
Have ebbed from me forever!
Suddenly o'er me
They swept again from their deep ocean bed,
and in a tumult of delight, and strong
As youth, and beautiful as youth, upbore me.

Samohi's Sluggers Prove Versatile

Samohi, closing out league play with a 10-8 record, started out like a well-balanced team in a 4-1 win over Hawthorne but then dropped three straight league baseball tilts.

Coach Ruben Navarro, hoping to get the squad back on a winning streak, experimented with different combinations on the diamond during the Sherman Oaks Invitational Baseball Tournament during Easter Vacation. Samohi won the Consolation Championship after slugging its way to three wins and one loss.

Stick-wise, the Vikings in early season play boasted some of the hottest bats in the league. Versatile Gene Martin ranks among league leaders in extra-base hits, while teammates Pete Martinez and Eric Reinholm complemented the Viking attack with solid hitting.

In the pitching department, Samohi's Pete Martinez wasn't far off the circuit's top pitching pace. He had a 1-1 record and worked 11.2 innings through the first four games. He fanned twelve, second highest in Bay League, and had an 0.63 ERA which is low enough for third place among hurlers in the league.

After the first part of the season, Samohi proved a balanced power with Martinez's pitching and Martin and Steve Ohland swinging the team's hottest bats. However, the Viking defensive miscues have been literally destructive to Samohi's loop record.

Swimmers Take League

Samohi's varsity swimming team took the 1967 Bay League Championship after trouncing Inglewood in the deciding meet at the SMCC pool. The varsity team boasted a 3-0 league record and one of the strongest teams to swim for Samohi. Both the B's and the C's finished second in league competition.

Previous varsity records fell consistently as senior tankman Curt Ando paced the team to several school records in three individual events, and, in the 220-yard individual medley, he finished with a time of 2:06.8. The 100-yard backstroke record fell, too, when Curt recorded a time of 58.0. The last varsity record Ando broke was the 400-yard freestyle with a time of 4:13.3. Ando teamed with Jim Makuta, Larry Coleman, and Ben Gage to set a new school record in the 200-yard medley relay with a time of 1:44.5. This four-man team may be named high school All-American, according to Coach Frank Brooks.

Junior Larry Coleman broke the 100-yard school butterfly record with a time of 57.0. Sophomore Jim Makuta, who swam varsity on several occasions, broke the school 100-yard breaststroke record with a time of 1:04.8.

Seniors Ando, Pat Mullin, Ben Gage, and sophomore Makuta teamed to break the school record in the 400-yard freestyle relay with a time of 3:27.0.

The B swim team, which finished the Bay League season with a 2-1 record, was not to be outdone by the record-shattering varsity team with sophomore Makuta and senior Ando breaking four B records each. Ando set new school and league B records in the 100-yard freestyle and the 100-yard backstroke. He set a school record with a time of 1:54.5 for the 200-yard freestyle. Ando finished his record-smashing campaign by breaking the Bay League 100-yard butterfly with a time of 58.0.

Sophomore Makuta broke league records in the 200-yard freestyle and the 400-yard freestyle. He smashed the school and league records in the 100-yard individual medley and the 100-yard breaststroke.

The C team finished second in the Bay League, but no records were broken.

Varsity Tennis Champs

Once again the powerful Viking varsity tennis team, CIF champions for the past five years, displayed its power in matches against Bay League opponents and even top-ranked Rolling Hills.

Leading the championship team was Bud Guion, a junior who ranks as one of the top players in Southern California. Number two man during the '67 season was senior John Fort, who was followed closely by Greg Peebles.

Playing under these three leaders were such successful netters as Bob Spitz, Lee Merry, Bill Sbarra, Berk Blatz, Bill Allen, John Perell, Chris Clark, Byron Ackerman, Ed De Bus, and Larry Harding. Top JV's this season were Andy Lee, Dave Weil, Chris Smith, Charles Langmuir, Keith Phillips, Andy Blatz, and Steve Kiewit.

Viking racquetmen started off the non-league season by trouncing Santa Ana and Beverly Hills. The Vike netters then tackled Rolling Hills and bested the highly-rated Titans in an impressive 5-2 win. Guion led the attack, quickly defeating his opponent, 6-1, 6-3. After this win, the varsity possessed a 5-0 non-league mark.

League play opened successfully with a 7-0 trouncing of the Hawthorne Cougars. Palos Verdes was the next victim of the Viking tennis machine.

Samohi finished the season retaining its title as a tennis powerhouse in Southern California. Much of the team's success was due to the efforts of its coach, a highly-touted man in tennis circles, Mr. Glenn Bassett. Midway through the season, however, UCLA called Coach Bassett and Mr. Richard Drake, himself a tennis great, stepped in to take over the coaching duties and to lead the Viking tennis team to another successful season.

Track and Field

Vike Hurdler George Hurd (right)

The Samohi track team was considered one of the favorites and had high hopes of defending its varsity and B Bay League track championships in 1967.

In pre-season, non-league meets, the B team defeated Morningside, 50-45, but the varsity and C teams fell to a strong Monarch squad. Bill Magruder set a new school record in the pole vault with a jump of 13'7½''

In a tri-meet at Centennial, the Vikes met the Apaches and Long Beach Poly. Both varsity and B teams were defeated while the C team won its division. Mike Pickett took first place, establishing a new school record in the mile with a mark of 4:26.8.

At the Mira Costa Relays, Pickett again set a record, this time in the two-mile run with a mark of 9:50.3. At Mira Costa, the B 660 relay team comprised of Ray Pierce, Glen Steenburg, Greg Papin, and Terry Dansby tied a long-standing record of 1:09.4.

Steve Rine in the 880-yard run at the Huntington Beach Invitational set a school record with a time of 1:54.2 to erase his previous record.

Outstanding performers in the Varsity division were Rine and Pickett, in the distance races; Terry Rosevear, in the hurdle and high jumps; Doug Mooers, in the shot put; Terry Dansby, in the sprints; and Greg Papin, in sprints and middle distance.

B TEAM: (front row) D. Kalmanson, A. Reed, G. Chest, R. Mosqueda, V. Lacata, G. Samuelson, M. Bell, J. Kelly; (second row) B. Ramstein, D. Johnson, D. Crossgrove, D. Allison, G. Steenburgh, R. Interest Soars in Volleyball

Because of the success of the volleyball teams in the past, Samohi sponsored active boys' and girls' teams this year.

In monthly matches, the girls' team showed steady improvement and took two thirds, a second, and beat Palihi to take a first in the April tournament. To prepare for the final tournament in June, they met schools including Palihi, San Marcos, and Marymount.

Top players on the team were Marty Ruby, Dale Vaughn, and Lauri Garduque. Other members included Sue Holman, Ann Foster, Tria Harris, Dege Gray, and Sue Touchberry.

The boys' team played in monthly tourneys and defeated the University of California at Santa Barbara, Long Beach State College, and Loyola. They also played Santa Ana, Culver City, Pali, Riverside, San Marcos, and Garden Grove high schools.

Top members of the boys' team were Brian Bird, Randy Niles, Erik Reinholm, and Dean Iverson. Others were Larry Griebenow, Jack Pritchett, Jim Menges, and Charles Douthat.

Both teams were coached by Mr. Miles Rodick.

In their second year of inter-school competition, the girls' tennis team won eight out of a first place title by played, but they were edged out of a first place title by Rolling Hills in a close match —the last of the season.

The girls practiced every day during the first quarter to help them win the first eight matches. Betty Ann and Barbara Grubb were the top players on the team, which was sponsored by Mrs. Marilyn Carruthers. Betty Ann is third in the nation and Barbara ranks twenty-third.

Thornton Wilder's modern comedy, **The Skin of Our Teeth,** the 1967 Senior Play, tells about one family living in the present and at the same time managing to survive the different periods of history in the face of overwhelming odds. The story is presented in the manner of a newsreel.

Armin Shimerman played Mr. Antrobus, the man who invented the wheel, the alphabet, and the multiplication table. Ingrid Pfeiffer had the part of his wife, and Gary Haddox and Virginia Dill played their children. Patty Sperling played the part of Sabina, the maid, who tells the story while speaking directly to the audience.

Set designs and scenery for the production were handled in an unconventional manner, with walls tumbling down and the ceiling flying off.

Only seniors were allowed to be in or work on the play. (Pictures taken by Maryann Young.)

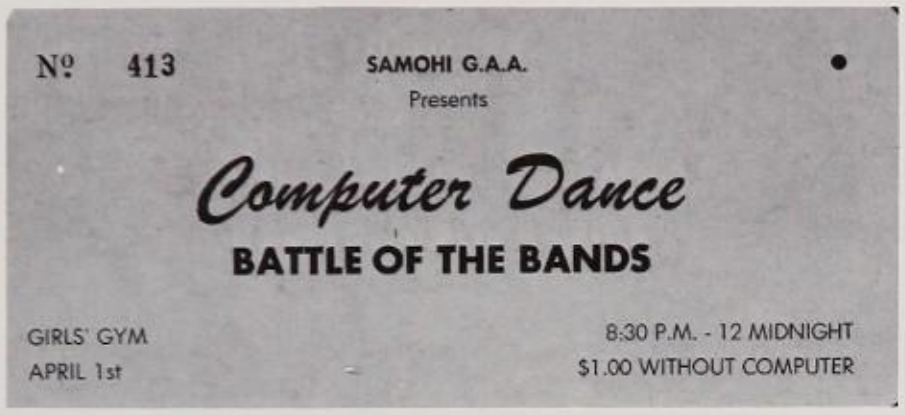
GAA Hosts Machine Hop



In this age of machines and push button gadgets, even dances are becoming computerized.

On April Fools' Day, Samohi's Girls' Athletic Association sponsored a Computer Dance. Upon purchasing a computer ticket, students were given a questionnaire to fill out and a number, which they were to wear at the dance. When the students arrived at the dance, they were given a card with the numbers of the persons with whom they were matched. Students were not obliged to stay with their matches after they found them, however.

Adding to the novelty of the evening was the battle of bands. The Blue Persuaders were chosen over The Clique, The Sounds in Motion, and The 1930-Four in a highly-competitive fest.

The computer dance was the first for Samohi and the GAA.

Organizations

Much of Samohi's progress through the past 75 years has been a result of students working together in organizations, bent on improving the individual members' minds and attitudes, on developing the spirit of teamwork, and on making Samohi the profitable experience it is and has been . . .

Viking Band

The Santa Monica High School Viking Band, composed of 123 members, has kept up its fine tradition of a winning Samohi band this year. Under the leadership of Vern Shaffer, drum major, and Alex DeVorkin, president, the band has walked away with many top honors in highly-competitive band reviews, such as Hawthorne, West Arcadia, and the Long Beach All-Western Band Review.

A highlight of the marching season was the Band's winning of the first place and sweepstake trophies at the Camarillo Parade. In addition to the Band's victory, Drum Major Vern Shaffer took first place in competition with other high school drum majors.

Outstanding this year were the half-times, which the band and Sergeanettes staged. Especially good was their Tijuana Brass routine, which was considered to be one of the best half-times ever put on by these organizations.

The Band meets two weeks before school to practice and averages an hour and a half of practice a day, not including after-school rehearsals. One of the most active organizations on campus, the Band deserves recognition and praise for its fine work and meritorious achievements.

Band officers are: (front row) P. Dupuis, C. Maurer, S. Feher, S. Kastendick, A. Devorkin; (second row) V. Shaffer, R. Ingram, S. Skiles; (top row) M. Martin, M. Hoffman, D. Horak, A. Casillas, D. Markowitz, J. Wilson, J. Drexel, N. Scott, K. Roberts, E. Jones, C. Thompson, S. Price, G. Hurd.

Delians, Vikesville's chapter of the California Scholarship Federation, has been a familiar name on campus this year, publishing and selling "The Delineator," the group's literary magazine, maintaining its invaluable tutoring program for students who need help in various courses, taking educational and recreational field trips, and sponsoring a quiz team, which competes academically with neighboring schools.

Membership in Delians is limited to those students who earn at least three A's and one B in academic courses. Students who maintain Delian membership for four semesters, one in their senior year, become Sealbearers and are honored at a special banquet and at commencement exercises.

Delian sponsors are Mr. Bernard Roberts, Mr. Forrest Freed, and Mr. LeRoy Vaughn.

Samohi Salutes

Girls', Boys' State Delegates

Mary Lee Wohlers, Larry Thorne, and Doug Mooers were Samohi's representatives this year at Girls' and Boys' states. At Girls' State, Mary Lee participated in the mock government and helped form a political party, making up its platform and issues. Larry and Doug met with 800 other boys in Sacramento to set up city, county, and state governments and to elect their own government officials. They set up a two-party system and held the elections following California laws and procedure.

Student representatives were selected by the faculty on the basis of leadership, scholarship, and citizenship qualities.

Lotta Elfing

American Field Service Exchange Studer

"A very interesting and exciting, wonderful year in the United States and at Samohi is soon coming to an end. Looking back, I remember times I loved it and times I found it completely impossible to understand and maddening, but, when I sum up my memories, there is so much I would rather take with me than leave when I go back — all my friends, the drama club, and confused (or maybe just confusing) discussions in the ASB cabinet, and all the special little things that make Samohi what it is. To all of you, who made this possible, and all of you, who made my stay something more than only a visit, thank you very much."

Lotta

potential sealbearers

At graduation ceremonies this June, Samohi will honor 48 seniors who have earned Sealbearer status, the highest academic honor bestowed upon a Samohi graduate. In addition, there are 24 potential Sealbearers, who will be honored if they earn the grades necessary to qualify for Delian membership in their last semester. To be a Sealbearer, a student must be a Delian for four semesters, one of which must be during the senior year. Sealbearers are given recognition at commencement exercises by wearing blue and gold California Scholarship Federation capes over their graduation gowns. A gold seal is also encrusted on their diplomas. The '66-67 list of Sealbearers is the longest in Samohi history.
